REQUEST TO WITDRAW NOTICE OF MISSING PARTS

Sir:

A mistake has been made by the USPTO in the enclosed Notice To File Missing Parts of Non Provisional Application in that the Notice indicates two signatures are missing from the Declaration For Patent Application originally submitted with the subject patent application when said signatures are in fact not missing from the Declaration For Patent Application originally submitted with the patent application. In addition, the Notice To File Missing Parts... mailed 2/14/2002 requires that formal drawings be submitted, but the formal drawings were actually submitted voluntarily by the undersigned on March 14, 2002. Proof of the foregoing assertions is attached hereto as the various exhibits listed below.

Enclosed herewith with respect to the above-identified patent application, please find:

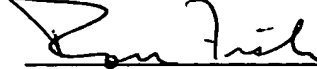

1. Exhibit A: PART 2-Notice to File Missing Parts of Application
2. Exhibit B, pages 1-3: Copy as originally filed of the Declaration for Patent Application signed by all inventors including inventors Watson and Chinn contrary to the indication on Exhibit A (page 3 has been marked with blue arrows pointing to the signatures of inventors Watson and Chinn).
3. Exhibit C, pages 1-3: Page 1 is a copy of the Transmittal of Formal Drawings mailed on March 14, 2002 along with the formal drawings requested by Exhibit A; Pages 2 and 3 are copies of the return receipt postcard mailed with the formal drawings (not returned yet).

Inspection of Exhibits B and C clearly shows that the Notice of Missing Parts was erroneous in requesting additional signatures on the Declaration, and that the formal drawings requested by the Notice of Missing Parts have already been submitted. Accordingly, all requirements of the Notice of Missing Parts having been satisfied, the undersigned hereby respectfully requests

withdrawal thereof, and passing this case on to the Examining Group.

The Commissioner is authorized to charge any shortfall in fees and any fees necessary at any time to keep this case from becoming abandoned to deposit account 06-0932, or to credit any overpayments to deposit account 06-0932.

Respectfully submitted,

Ronald Craig Fish
